H. Key people:

A “key person” is someone who the Beneficiary knows and trusts, and who can act as a prudent and responsible key contact for The Arc Trust. Essentially, a key person acts as a liaison between the Beneficiary and The Arc Trust, communicating the Beneficiary’s needs and desires to The Arc Trust and making disbursement requests on his or her behalf. Although The Arc Trust ultimately decides whether a disbursement will or will not be made, key people are valuable to both the Beneficiary and The Arc Trust, because they provide insight into how a Beneficiary’s trust account can best be used to provide him or her with the best possible material quality of life. A Beneficiary can have more than one key person.

Please list the primary contact first and only one key person should receive the annual mailing to keep the account information updated. Also the Donor(s) should not be listed as a key person:

1. If the Beneficiary's residence changes from Indiana to another state, distributions may cease until appropriate arrangements can be made within the sole discretion of the Trustee – including, but not necessarily limited to:

2. A share for a remainderman, named in I, who does not survive the Beneficiary shall lapse and be distributed in proportionate shares to all other remaindermen.
