

## 2019 TRUST I & TRUST II SATISFACTION SURVEY RESULTS

The Arc of Indiana intends for its trust service to be easy to use. "How are we doing?" To answer this question, each year we send a User Satisfaction Survey to people using our service. The survey asks about our responsiveness to requests-from the time people make the request to when they receive the check in the mail.

This survey provides valuable feedback for us. It identifies potential problem areas. It also helps families thinking about enrolling. "*Is The Arc Trust easy to access?*" some might ask. "*Is getting approval difficult?*" As the survey shows, we are very accessible and rarely turn down requests.

1. When the person with whom I have contacted is not immediately available, they return my call or email within two business days of my request.
